

Creation of Loan account action

The screenshot shows the IBM Watson Assistant interface. The left sidebar has a menu with 'Actions' selected. The main area displays a table of actions created by the user. The table has columns for Name, Last edited, Examples Count, and Status. The actions listed are Greeting, Savings, Current, and Loan, all created 23 days ago. A 'New action' button is visible in the top right corner of the table.

Name	Last edited	Examples Count	Status
Greeting	23 days ago	4	✓
Savings	23 days ago	1	✓
Current	23 days ago	2	✓
Loan	23 days ago	1	✓

Output screenshot

This screenshot shows the same IBM Watson Assistant interface as the first one, but with a chat preview overlay on the right. The overlay shows a conversation where a user asks 'Loan enquiry' and the assistant responds with 'go to Loan' and 'What type of loan are you looking for?'. The user selects 'House loan' from a dropdown, and the assistant responds with 'House loan' and a message about eligibility. The bottom of the screen shows a Windows taskbar with various open applications and the system clock.

Name	Last edited	Examples Count
