

Project Development Phase

Delivery of Sprint - 2

Date	26 October 2022
Team ID	PNT2022TMID10647
Project Name	Chatbot for College management system

Creating Skills for Placement queries

The screenshot displays the IBM Watson Assistant interface for configuring a skill. The browser address bar shows the URL: `us-south.assistant.watson.cloud.ibm.com/urn%3Aav1%3Abluemix%3Apublic%3Aconversation%3Aus-south%3Aa%2F6b06765b18634c3a82311db521278acd%3A6dc68021-e072-4318-bba...`. The interface is divided into two main sections: 'Placement Details' on the left and a configuration area on the right.

Placement Details (Left Panel):

- Customer starts with:** What is college placement
- Conversation steps:**
 - Step 1: Please select the year. Options: 2019, 2020, +1. Action: Continue to next step.
 - Step 2: 1 is 2019. 87% of Students has been placed in Top Company. Action: Go to action: Home.
 - Step 3: 1 is 2020. 89% of Students has been placed in Top Company. Action: Go to action: Home.
- New step +** button at the bottom.

Configuration Area (Right Panel):

- Customer starts with:** Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.
- Enter phrases your customer might use to start this action:** Total: 4. A list of phrases is shown: Placement Details, placement, What is average package, and What is college placement.
- Preview** button at the bottom right.

The bottom of the screenshot shows a Windows taskbar with the date 13-11-2022 and time 12:06.

Creating Action Skills

The screenshot shows the IBM Watson Assistant interface for a project named 'College management'. The 'college details' skill is being configured. The 'Customer starts with:' field is set to 'college'. The 'Conversation steps' list shows a single step with the text 'ABC college of Engineering is an Autonomous college of Engineering, Technology and Management ,known for its predominant ranking by the university and placements in the rural region of Tamil Nadu. It was established in 1995.' The 'Assistant says' field contains the same text. The 'And then' section is set to 'Go to another action', which is 'Home'. The 'Pass values' field is empty. A 'Preview' button is visible in the bottom right corner.

The screenshot shows the IBM Watson Assistant interface for a project named 'College management'. The 'Events' skill is being configured. The 'Customer starts with:' field is set to 'what about events'. The 'Conversation steps' list shows a single step with the text 'Sports Week, Conference and various other event conducted in the college. For more information you ca...'. The 'Assistant says' field contains the same text. The 'And then' section is set to 'Continue to next step'. A 'Preview' button is visible in the bottom right corner.
